FACTORY NEW

SchureMed Spinal Frame: 800-0235. SchureMed's focus, as a medical equipment manufacturer, is on providing innovative surgical patient positioning equipment and devices. We center our design practice on improving patient safety and comfort while addressing critical patient positioning challenges in gynecological, urological, laparoscopic, and orthopedic surgical procedures. The SchureMed Spine Frame Features: The SchureMed Spine Frame provides a stable platform for spine surgeries like laminectomies and disc surgery.

It offers intraoperative adjustment for optimal lordosis and surgical site exposure. Tapered adjustable pads ensure patient safety and comfort. The frame supports up to 500 lbs and is C-arm compatible.

You can use it with any O.R.
