

GE Carescape B650 Anesthesia Monitor – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED • CLINICALLY CERTIFIED

GE Carescape B650 Anesthesia Monitor – Refurbished. The GE CARESCAPE B650 Patient Monitor offers flexibility at every point of care. Additionally, configurability, a user-friendly interface, and outstanding parameters ensure you can focus on the patient instead of the technology.

Furthermore, seamless integration supports efficient, ergonomic monitoring across your facility. Moreover, this monitor includes advanced tools to meet the needs of CCU, PACU, NICU, and lower-acuity ICU and OR patients. As a result, staff gain a versatile monitor suited to many care environments.

Specifically, this monitor integrates seamlessly with GE Healthcare Engstrom and Anesthesia Carestation devices for remote on/off monitoring.
