FACTORY NEW

Champion 8500 Treatment Table. The Champion 8500 Treatment Table features a durable dove-gray powder-coated steel frame built for daily clinical use. Additionally, this table includes a paper holder with cutter, adjustable leveling feet, and a comfortable patient surface.

Furthermore, standard height is 30 inches, with specialty heights of 19, 25, or 36 inches also available. Moreover, the 2-inch medium-density foam surface is upholstered in health-grade vinyl for easy cleaning. As a result, staff can quickly wipe down this table between patients.

Specifically, the Champion 8500 table supports a 400 lb weight capacity, suitable for a wide range of patients. In addition, adjustable leveling feet help keep the table stable on uneven floors.
