Champion 8570 Adjustable Treatment Table

Stock Photo – Options May Vary

FACTORY NEW

Champion 8570 Adjustable Treatment Table. The Champion 8570 Adjustable Treatment Table includes a powder-coated steel frame, paper holder, and adjustable leveling feet. Additionally, this table features comfortable 2-inch medium-density foam upholstered with health-grade vinyl.

Furthermore, a gas spring-operated headrest uses a one-touch control for quick, easy adjustment. Also, this design helps staff position patients faster during exams. Moreover, standard height is 30 inches, with specialty heights of 25 or 36 inches also available.

As a result, the Champion 8570 table fits a wide range of clinical spaces and staff needs. Specifically, the headrest angle adjusts from 6 to 57 degrees for added flexibility. In addition, adjustable leveling feet keep the table steady on almost any floor.
