FACTORY NEW

Amico Three-Function Electrical Bed: AC-200C. Amico Corporation, founded in 1974, designs, manufactures, and markets a broad range of products for every health care facility department. Furthermore, their mission is to provide state-of-the-art products that facilitate the caregiver's role in providing the best outcomes for patients.

The Amico AC 200C bed gives caregivers the control they need in the recovery environment. The simplistic design and distinctive features bring efficiency to today's medical and surgical settings.

The Amico Care AC 200C bed has open architecture and removable head/footboards for easy caregiver access during emergencies. Moreover, the head and footboards feature an exclusive polypropylene blend for cleanup and durability.
