FACTORY NEW

Harloff MDS3030K16 M-Series Tall Anesthesia Cart w/Deluxe Anesthesia Pack, MD30-ANS3. This advanced anesthesia cart with accessories helps anesthesiologists prepare for any needs they may encounter while treating patients. The MDS3030K16 features a standard-sized 30″ wide cabinet.

This heavy-duty steel cart offers 30″ of vertical drawer space across six large drawers. As a result, this provides room to store many essential anesthesia tools and supplies. Additionally, a standard lock with two separate keys keeps cart contents safe and secure.

Harloff's Most Elaborate Anesthesia Accessory Package includes drawer dividers, a waste and sharps container, a 3-tier back rail system, a large utility basket, and more.
