Tuttnauer T-Edge 11 Autoclave

Stock Photo – Options May Vary

FACTORY NEW

Tuttnauer T-Edge 11 Autoclave – New. This is a unique, adaptable sterilization solution built to grow with your practice. It's the only gravity autoclave on the market upgradable to pre/post vacuum (Class B), giving you real flexibility as your clinic's needs change.

In addition, it meets ANSI/AAMI ST55 standards for strong, dependable performance. This Class S to Class B upgrade path means you can start with core features and add more later, no new device needed. Meanwhile, a simple touchpad shows cycle status, water levels, and selected programs at a glance.

Furthermore, Wi-Fi lets you monitor cycles remotely from a phone or tablet.

FEATURES

• Fast Cycles: The Fast Cycle times for wrapped instruments, complete cycle, and including drying.
• Optimal Chamber Capacity: More than 75% chamber capacity with 5 extra-long trays.
• Convenient loading: Convenient and easy loading with door opening to 110°.
• Advanced documentation: A variety of documentation and traceability options and barcodes.
• User-friendly touchpad control panel: Displays programs, cycle times, water levels, and more.
