Getinge 5524 Tabletop Warming Cabinet – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED · CLINICALLY CERTIFIED

Getinge Castle 5524 Warming Cabinet. The Getinge 5524 Warming Cabinet provides a reliable way to warm saline solutions and blankets in patient care settings.

It’s ideal for areas that require quick access and precise temperature control, like surgery, recovery, OB/GYN, ICU, and ER. This compact tabletop unit combines convenience and performance in a space-saving design that fits easily into busy clinical environments.

The Castle 5524 features a sleek design that includes a tempered glass “look-in” door, allowing staff to visually check inventory without opening the cabinet and disrupting internal temperatures. Additionally, the convection-heated chamber ensures even heat distribution, keeping fluids and linens consistently warm and ready for use.
