FACTORY NEW

Tuttnauer T-Edge 10B Autoclave – New. This is a powerful, compact Class B sterilizer built for the strict needs of modern dental and medical practices. It runs advanced pre- and post-vacuum cycles for deep steam penetration, fully sterilizing even complex, hollow instruments.

In addition, it's built for speed and reliability in busy clinics. The T-Edge 10B offers fast 36-minute wrapped-instrument cycles, including drying, which cuts down wait time. Meanwhile, over 80% chamber space fits longer trays, so you get more done per cycle.

Furthermore, the 110° door opening makes loading and unloading easy, which helps workflow and safety.

FEATURES

- Pre-Post Vac – Class B Autoclave
- Larger chamber capacity and shorter cycle times
- Convenient and easy loading with door opening to 110º
- Advanced documentation and traceability options and barcode
- Optimal chamber capacity (23 Liter/6 Gallons)
