FACTORY NEW

Tuttnauer T-Edge 11B Autoclave – New. This is a top-tier Class B sterilizer built for busy dental and medical offices. Small but strong, it gives fast, steady sterilization for clinics that put safety first.

In addition, it runs steam cycles before and after sterilization to fully clean even hollow tools. The T-Edge 11B finishes a full wrapped-instrument cycle, including drying, in just 36 minutes. Meanwhile, over 80% chamber space works with extra-long trays, so staff can clean more per cycle.

Furthermore, the 110° door opening makes loading and unloading smooth and easy on the wrists.

FEATURES

• Pre-Post Vac – Class B Autoclave
• Larger chamber capacity and shorter cycle times
• Convenient and easy loading with door opening to 110º
• Advanced documentation and traceability options and barcode
• Optimal chamber capacity (27 Liter/7 Gallons)

SPECIFICATIONS

• Chamber Size: 18″ Depth x 11″ Diameter
• Volume: 7 gal (27L)
• Dimensions (L x W x H): 21.1” x 19.68” x 19.68”
• Standard Cassette Capacity: 4 full & 4 half
