UMF 4070 Power100 Power Exam Table

Stock Photo – Options May Vary

FACTORY NEW

The UMF 4070 Power100 Power Exam Table combines durability, ADA accessibility, and smooth power operation for efficient patient care. Its dual electro-mechanical actuators power Hi-Lo and back adjustments for quiet, consistent positioning. A low 18.5″ seat height meets ADA standards and allows safer, easier patient transfers.

Furthermore, with a 650 lb weight capacity, it supports a wide range of patients with confidence. A 7° pelvic tilt improves positioning for exams and procedures. UMF 4070 Power100 Features include a built-in drain pan, foot control, and a front drawer for convenient storage.

Removable, seamless upholstery ensures easy cleaning and better infection control. Adjustable stirrups and a front leg cushion add flexibility and comfort.
