

Harloff Medium Narcotics Cabinet | NC16C12-DT2

Stock Photo - Options May Vary

FACTORY NEW

The Harloff Medium Narcotics Cabinet NC16C12-DT2 is a secure storage solution for controlled substances. Constructed from durable 20-gauge steel, it features dual doors with pick-resistant tubular locks keyed differently for enhanced security, along with four keys per lock. The cabinet includes one adjustable and removable shelf with four location options for flexible storage organization.

Measuring 16" H x 12" W x 9" D and weighing only 15 pounds, this cabinet is lightweight and portable. Predrilled mounting holes and included hardware allow for quick installation on walls or solid surfaces. Full-length stainless steel pinned door hinges prevent pin removal for added security.

The cabinet meets DEA requirements for storing Schedule I and II substances when properly secured and used according to guidelines. It features a durable heat-sealed powder coat finish and comes ready to use with a 12-year manufacturer's warranty on US and Canadian shipments.
