## **FACTORY NEW**

The Harloff Medium Narcotics Cabinet with Alarm: NC16C12-DT2-AVD offers advanced security for controlled substances, built from durable 20-gauge steel with dimensions of 16" H x 12" W x 8" D. It features visual and audio alarms—flashing light and 84-decibel sound—that alert staff instantly when opened.

Ideal for medical offices, hospitals, and healthcare facilities needing secure storage. This Narcotics Cabinet includes both an outer and an inner locking door, each secured with a pick-resistant tubular lock and four unique keys per lock to help prevent unauthorized access.

The cabinet has one adjustable or removable shelf that users can position at multiple heights to fit storage needs.
