FACTORY NEW

Harloff Thin Profile Narcotics Cabinet – NC16A12-DT2. The Harloff Thin Profile Narcotics Cabinet NC16A12-DT2 offers secure storage for DEA-controlled substances in a space-saving vertical format. Additionally, heavy-duty 20-gauge steel construction features outer and inner locking doors with pick-resistant tubular locks.

Furthermore, each lock includes four keys. Also, two adjustable or removable shelves offer flexible storage for up to three rows of medications. Moreover, this slim cabinet measures 16 inches H x 12 inches W x 4 inches D.

As a result, it fits well in facilities with limited space while still meeting rigorous storage needs.

FEATURES

- Heavy duty 20 gauge steel
- Dual inner door and outer door construction
- Two high security pick-resistant tubular locks
- Four keys per lock included
- Unique lock sequences – all cabinets are keyed differently
