FACTORY NEW

Harloff Medium Narcotics Cabinet – NC12C16-SK2. The Harloff Medium Narcotics Cabinet NC12C16-SK2 is a secure, flexible storage solution designed with long-term care facilities in mind. Additionally, it features a single outer door with two standard key locks, each including two keys.

Furthermore, staff can use the lower lock alone by disengaging the top lock when dual access isn't needed. Also, this suits facilities where staff regularly dispense medications. Moreover, heavy-duty steel construction measures 12 inches H x 16 inches W x 8 inches D.

As a result, the Harloff NC12C16-SK2 offers a compact, durable storage option. Specifically, one adjustable or removable shelf includes five mounting positions.
