## **FACTORY NEW**

The Harloff Medium Narcotics Cabinet: NC12C16-SK2 is a secure and flexible storage solution designed with long-term care facilities in mind. It features a single outer door with two standard key locks, each of which includes two keys.

Staff or qualified residents can use the lower lock alone by disengaging the top lock when dual access isn't needed. This makes the cabinet ideal for facilities where staff regularly dispense medications.

Built from heavy-duty steel and measuring 12" H x 16" W x 8" D, the Harloff NC12C16-SK2 cabinet includes one adjustable or removable shelf with five mounting positions.
