

# Harloff Tall Narcotics Cabinet with Audio/Visual Alarm | NC24C16-DT2-AVD

Stock Photo - Options May Vary

## FACTORY NEW

The Harloff Tall Narcotics Cabinet NC24C16-DT2-AVD provides high-security storage for controlled substances with integrated visual and audio alarm protection. The cabinet features dual locking doors with pick-resistant tubular locks and activates a bright flashing light and 84-decibel alarm when opened, providing immediate alert to any access attempt.

Constructed from heavy-duty 20-gauge steel with a vertical orientation, the cabinet measures 26" H x 16" W x 8" D and includes two adjustable or removable shelves for flexible storage configurations. Battery-powered operation using a standard 9-volt battery allows installation on any solid surface without electrical wiring.

The cabinet meets DEA guidelines for storage of Schedule I and II controlled substances when properly secured and used. Pre-drilled mounting holes and included hardware facilitate wall installation.

## FEATURES

- Cabinet has integrated Audio and Visual alarm to alert personnel when open
- Battery-powered using standard 9 volt; battery in quick-change holder
- Does not need to be hard-wired to electrical power - can be mounted anywhere
- Dual inner door and outer door construction with two high security pick-resistant tubular locks
- Full length stainless steel pinned door hinges prevent pin removal
- Two adjustable/removable shelves with multiple mounting locations
- Pre-drilled holes in the back for mounting on a wall, cabinet or other solid surface (wall mounting hardware included)
- Heavy duty 20 gauge steel
