

Harloff Large Capacity In-Room Medication Storage Cabinet | WV2766- CM

Stock Photo - Options May Vary

FACTORY NEW

The Harloff Large Capacity Medication Storage Cabinet WV2766-CM is a wall-mounted medication cabinet designed for assisted living and long-term care facilities. Constructed from heavy-duty steel with a vinyl-coated aluminum door, it provides secure storage for resident medications. The cabinet features a natural Cherry Mahogany wood vinyl finish.

The cabinet includes a standard key lock with two keys supplied. Installation is straightforward with predrilled holes and included hardware for exterior wall mounting. The unit is suitable for storing medications for one to two residents in an easily accessible location.

Internally, a drop-down shelf supports convenient access and organization. The cabinet holds up to 60 punch cards and accommodates liquid medications or a combination of both, providing a secure and functional medication storage solution for in-room use.
