*Stock Photo - Options May Vary*

## **FACTORY NEW**

The Harloff Wall Mount Medication Storage Cabinet WV2761-CM provides secure medication storage designed for long-term care environments. The cabinet features heat-sealed powder-coated steel construction with an aluminum door wrapped in woodgrain vinyl, creating a warm, home-like furniture appearance suitable for resident rooms while supporting culture change initiatives.

The cabinet accommodates up to 40 punch cards or a combination of cards and liquid medications. It includes a standard key lock with an optional electronic pushbutton lock upgrade, a drop-down shelf, and one-hand slam lock operation for convenient access and security.

Customization options include converting a row for narcotics storage or reversing the door swing to suit facility needs. The cabinet comes with predrilled holes and included mounting hardware for easy installation, backed by a 12-year manufacturer's warranty.
