

Harloff Recessed Wall Mount In-Room Medication Storage Cabinet | WV2760-CM

Stock Photo - Options May Vary

FACTORY NEW

The Harloff WV2760-CM is a recessed wall-mounted medication storage cabinet constructed from powder-coated steel with a vinyl-coated aluminum door and natural cherry mahogany wood vinyl trim. It is designed for secure, tamper-resistant storage and can be installed on an exterior wall or recessed between 16" on-center wooden studs for a built-in appearance in resident rooms.

The cabinet accommodates up to 40 punch cards and multiple liquid medication bottles, with flexible storage options to mix cards and bottles as needed. Installation is straightforward with predrilled holes and included hardware that fits easily into most facility layouts.

Security features include a standard key lock with two keys provided. An optional electronic push-button lock is available for added security and multi-user access convenience, making this cabinet an ideal in-room solution for organized medication management.
