Harloff Tall Narcotics Cabinet with Electronic Lock | NC24C16-SE1

Stock Photo – Options May Vary

FACTORY NEW

Harloff Tall Narcotics Cabinet – NC24C16-SE1. The Harloff Tall Narcotics Cabinet NC24C16-SE1 is designed for secure wall mounting in medical settings. Additionally, 20-gauge steel construction offers a heavy-duty, durable build.

Furthermore, an electronic locking outer door stores up to 20 user codes. Also, staff can easily reprogram the lock in the field. Moreover, the Harloff NC24C16-SE1 cabinet measures 24 inches H x 16 inches W x 8 inches D.

This offers ample space for various medications. As a result, facilities gain flexible storage for bottles and other medication types. Specifically, two adjustable or removable shelves mount at multiple heights to suit your needs.
