Bair Hugger 700 Series Rolling Cart – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED · CLINICALLY CERTIFIED

Bair Hugger 700 Series Rolling Cart – Refurbished. The Bair Rolling Cart is designed for frequent transport of compatible warming units. Its compact, lightweight structure ensures easy movement in busy clinical environments. Healthcare professionals can effortlessly navigate crowded spaces and tight corridors.

The cart also features a storage area for blankets, keeping them organized and accessible when needed. With dimensions of 15.5 inches in depth, 15 inches in length, and 15.5 inches in width, the 700 Series Rolling Cart is compact yet spacious. It provides ample room to secure a 700 series warming unit while storing additional accessories.

Additionally, its size ensures versatility, fitting easily into various clinical settings without occupying excess space.
