

## SchureMed Adjustable Footboard Replacement Pad | 508-1347

*Stock Photo - Options May Vary*

### **FACTORY NEW**

The SchureMed Adjustable Footboard Replacement Pad, model 508-1347, is a high-quality replacement pad designed for use with SchureMed adjustable footboards. It provides a comfortable and supportive surface for patients during procedures, with durable construction that withstands repeated use in clinical settings.

The foam padding offers a cushioned surface that enhances patient comfort and reduces pressure points during treatment. The pad ensures a secure fit with the adjustable footboard, maintaining optimal patient positioning throughout procedures.

Easy to install, this replacement pad allows the footboard to maintain its full functionality, supporting efficient and safe patient care. It is compatible with SchureMed adjustable footboard and table extension model 800-0285.
