Winco Contoured Headrest | CH

Stock Photo – Options May Vary

FACTORY NEW

Winco Contoured Headrest: CH. The optional Winco CH provides lateral head support, keeping the patient's head comfortably in place on the chair. Its ergonomic design helps reduce strain and ensures proper alignment, enhancing patient comfort during extended periods of sitting.

The headrest is adjustable to accommodate different head shapes and sizes, making it a versatile addition for various medical and healthcare settings. This accessory adds both comfort and support, contributing to a more pleasant patient experience. The Winco CH fits Verō Premium Series recliners, Life Care Value models (5851, 5861), and select Designer Care Value recliners.

It offers added head support, ensuring proper alignment and enhanced comfort for patients.
