

Winco Leg Extensions | RE00/SE00

Stock Photo - Options May Vary

FACTORY NEW

Winco Leg Extensions: RE00/SE00. Machined from a single piece of solid steel, ensuring superior strength and durability. Designed to provide additional height to Winco recliners, these leg extensions offer greater flexibility and customization for patients' comfort.

Whether used in healthcare settings or home care environments, they allow for better ergonomics and improve overall patient positioning. These extensions are built to withstand heavy usage and are ideal for long-term use in medical facilities.

Their solid steel construction guarantees stability, reducing the risk of wear or damage. Easy to install, they are compatible with a variety of Winco recliner models, ensuring seamless integration.

FEATURES

- Strong and Durable
- Machined from a single piece of solid steel
- Wheel Diameter: 3"
