Steris Harmony LED 585 Surgical Lights – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED · CLINICALLY CERTIFIED

Steris Harmony LED 585 Surgical Lights – Refurbished. The Steris Harmony 585 LED surgical light gives bright, clear lighting for almost any surgical setting. The 24” light head moves easily and uses long-lasting LEDs with a 30,000-hour life.

Each light comes fully refurbished, offering strong performance at a lower price. A 6-month warranty is included, making this a smart and affordable choice for hospitals, surgery centers, and medical clinics. In addition, the Steris 585 offers cutting-edge LED technology designed for modern surgical and clinical environments.

Furthermore, it delivers pure white, natural light with a 4400K color temperature and 14,800 ft candles (160,000 lux) intensity.
