Medical Illumination MI-1000 LED Surgical Light Single Ceiling | XLD-SC

Stock Photo – Options May Vary

FACTORY NEW

Medical Illumination MI-1000 LED Surgical Light Single Ceiling Mount. The MI-1000 LED Surgical Light from Medical Illumination features exceptional quality, energy-efficient operation, and cool, bright output.

It provides a white, bright light from multiple LED spots, thus enabling excellent shadow control. Additional Features: The MI-1000 has an improved level of tissue rendition for your exams or minor procedures.

Furthermore, our lighting equipment (excluding replacement parts) has a three-year limited warranty. Long-life LEDs rated up to 50,000 hours are convenient as there are no replacement bulbs or fuses necessary, resulting in lower overall maintenance costs.

FEATURES

- Very Low Heat
- High Efficiency
