Medical Illumination MI-750 LED Surgical Lights Single Ceiling | XLDP-SC

Stock Photo – Options May Vary

FACTORY NEW

Medical Illumination MI-750 LED Surgical Lights Single Ceiling: XLDP-SC. The MI-750 Series is the perfect light for minor procedures and examinations in smaller spaces. Furthermore, our newest minor surgery/procedure light, the MI-750, features exceptional quality, energy-efficient operation, and cool, bright output.

Additionally, the MI-750 LED Single Ceiling Model provides a bright white light from multiple LED spots, enabling excellent shadow control and improved tissue rendition for your exams or minor procedures. Moreover, the MI-750 offers a variety of mounting options.

The XLDP-SC is unquestionably the best value for those seeking the latest technology in medical lighting. Additionally, the MI-750 Series is available in a variety of models.
