FACTORY NEW

Medical Illumination XLDE-SC MI-550 Series LED Single Ceiling. Whether you're performing surgery, procedures, or exams, the lighting conditions must be optimal to visualize your work accurately. Nothing less is acceptable.

At Medical Illumination, our sole focus is making that happen. The MI Series Features: Lights that are significantly brighter, whiter, and cooler than any previous technology.

So you get the most vivid, accurate colors with remarkable shadow control — and virtually no heat emission — which makes our lights more comfortable to work under than any other lights. Moreover, the compact but powerful MI-550 is the perfect fit and offers the greatest value in an examination light.
