

# Aaron Bovie Mobile Stand for 1250 2250 and 3250 ESU | ESMS-C

*Stock Photo - Options May Vary*

## **FACTORY NEW**

The Aaron Bovie Mobile Stand (ESMS-C) is designed for use with ESU models 1250, 2250, and 3250. It features sturdy construction that ensures secure positioning of equipment during procedures, with a compact size and ergonomic design that facilitates easy movement and adjustment across various clinical settings.

The stand provides a reliable base for the ESU while enhancing accessibility and keeping equipment within convenient reach during use. Its mobile design allows clinicians to reposition the unit as needed throughout the procedure.
