Blickman Solution/Blanket Warming Cabinet | 7921TG

Stock Photo – Options May Vary

FACTORY NEW

Blickman Solution/Blanket Warming Cabinet: 7921TG – New. This tall single-door cabinet stands 74.5 inches high and warms blankets or solutions. Its roomy inside and open, adjustable shelves suit busy clinical settings.

In addition, easy controls sit above the door, so staff can change the temperature fast. The 7921TG has an automatic cut-off for safety and a built-in data recorder with a real-time clock. Meanwhile, the glass door closes on its own, with a magnetic seal and adjustable tension.

You can set the inside temperature anywhere from 90 to 160 degrees, so the cabinet fits many uses.
