Blickman Solution/Blanket Warming Cabinet | 7921TS

Stock Photo – Options May Vary

FACTORY NEW

Blickman 7921TS Solution/Blanket Warming Cabinet with Stainless Steel Door – New. This single-door cabinet stands 74.5 inches tall and warms blankets or solutions. Its open, adjustable shelves fit many warming needs in busy medical settings.

In addition, staff can program solution-only warming between 90°F and 110°F for tight control. The controls sit above the door, so staff can change the temperature fast. Meanwhile, the digital controller has a full number keypad and a tough stainless steel touch pad.

Warning lights and alarms alert staff if it gets too hot, and an auto shut-off adds extra safety. A built-in recorder with a clock also tracks heat over time.
