Blickman Solution/Blanket Warming Cabinet | 7924TS

Stock Photo – Options May Vary

FACTORY NEW

Blickman Solution/Blanket Warming Cabinet: 7924TS – New. This 74.5-inch cabinet has two heated sections, and each one has its own controls. You set temperatures with a key or passcode, which stops unwanted changes.

In addition, the self-closing doors have a magnetic seal and adjustable tension, so staff keep a smooth workflow. The 7924TS has digital controllers with a full number keypad and a tough stainless steel touch pad. Meanwhile, alarms and warning lights alert staff if it gets too hot, and an auto shut-off adds extra safety.

A built-in temperature recorder and clock also track heat over time, which helps your team check compliance with ease.
