Mindray DPM 6 Anesthesia Monitor with AG Module – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED · CLINICALLY CERTIFIED

Mindray DPM 6 Anesthesia Monitor with AG Module – Refurbished. This monitor fits well in most departments of an ASC or hospital. In addition, it has a 12.1-inch color touchscreen and battery backup.

This multi-parameter monitor also comes standard with ECG, NIBP, RESP, SpO2, temperature, and an internal thermal recorder. Furthermore, this DPM 6 includes an AG (anesthesia gas) module for 5-agent anesthesia gas and end-tidal CO2 monitoring. Meanwhile, quick-access menus keep the workflow simple for busy staff.

It also offers strong data storage and recall, plus 3-, 5-, and 12-lead ECG options for closer heart checks.
