FACTORY NEW

The Steris Amsco 3080 Standard Series Replacement Pad Set is a 3-piece cushion set designed for low-risk patients and short-duration procedures. It fits Amsco models 3080RC, 3080RL, 3080SP, and 3085SP, providing dependable comfort and support for routine surgical use.

The pads feature medium-firm high-density foam construction with an electrically conductive black vinyl cover that meets operating room safety standards. The design is easy to clean and suitable for use in busy medical settings.

The pad set helps reduce pressure points and maintains patient comfort during shorter surgical cases. It offers cost-effective performance for routine procedures where standard cushioning is appropriate.
