FACTORY NEW

Steris 5085 Premium Series Replacement Pad Set. The Steris 5085 Premium Series Pad Set delivers reliable comfort and support for longer surgical procedures. This 3-piece cushion set is built for durability and performance in high-demand O.R.

environments. It enhances pressure management, improves patient positioning, and helps reduce the risk of pressure injuries during extended operations. The top layer of Visco memory foam conforms to the patient's body, increasing comfort and stability.

The Fusion III soft vinyl cover features a four-way stretch for added flexibility and durability. It also resists fluid penetration, tearing, and hospital disinfectants. Its conductive surface reduces static buildup, adding a layer of safety in sensitive surgical settings.
