Skytron 6500 Surgical Table Replacement Hand Control

Stock Photo – Options May Vary

FACTORY NEW

Skytron 6500 Surgical Table Replacement Hand Control fits the Skytron Model 6500 non-battery operating tables. Is your Skytron hand control or remote not working? Our replacement puts your table back in service, so your team can get on with the day without a long wait.

This hand control is 100% compatible with the Skytron 6500, so you can order it with confidence. In addition, the durable construction holds up to daily use in busy operating rooms. Meanwhile, the rail hook gives you a simple place to hang the control between cases.

As a result, the control stays close and stays protected.

FEATURES

- Durable Construction
- 19 Pin Connector
- Rail Hook
- 100% Compatibility
- 90 Day Ship Back Warranty
