

Skytron 6500 Surgical Table Replacement Hand Control

Stock Photo - Options May Vary

FACTORY NEW

Replacement hand control for Skytron Model 6500 surgical tables (non-battery operating models). This 100% compatible hand control restores full functionality to your operating table when the original remote is damaged or malfunctioning.

The hand control features a 19-pin connector that directly interfaces with Skytron 6500 tables. Verify your table's connector type before ordering to ensure compatibility.

Durable construction ensures reliable performance in the demanding surgical environment. Includes a rail hook for convenient mounting and storage. Backed by a 90-day ship back warranty.

FEATURES

- Durable Construction
- 19 Pin Connector
- Rail Hook
- 100% Compatibility
- 90 Day Ship Back Warranty
