

# Skytron 6002B Surgical Table Replacement Hand Control

*Stock Photo - Options May Vary*

## **FACTORY NEW**

Replacement hand control for Skytron Model 6002B Elite surgical tables. This 100% compatible unit restores full functionality to battery-operated tables with non-working original controls. Features a 24-pin connector for secure connection to the table's control system.

The hand control includes a rail hook for convenient mounting and storage during procedures. Durable construction ensures reliable performance in demanding surgical environments. Verify that your table uses a 24-pin connector before ordering to ensure compatibility.

Each unit includes a 90-day ship back warranty covering defects and operational issues.

## **FEATURES**

- Durable Construction
- 24 Pin Connector
- Rail Hook
- 100% Compatibility
- 90 Day Ship Back Warranty
