

Skytron 3100 Premium Series Replacement Pad Set

Stock Photo - Options May Vary

FACTORY NEW

The Skytron 3100 Premium Series Replacement Pad Set is designed for patient comfort during longer-duration surgical procedures. The pad features 2 inches of overall thickness, constructed with medium firm high-density foam and 1 inch of Visco memory foam for optimal support and pressure relief.

The pad is covered with conductive 4-way stretch Fusion III soft vinyl that provides durability and ease of cleaning. The construction includes waterfall edge design and is fluid and stain resistant for reliable performance in the operating room.

This pad set is X-ray permeable, anti-microbial, and latex free, making it suitable for a wide range of surgical applications and patient needs.
