

Skytron Elite 3500 Premium Series Replacement Pad Set

Stock Photo - Options May Vary

FACTORY NEW

The Skytron Elite 3500 Premium Series Replacement Pad Set is engineered for patient comfort during extended surgical procedures. The pad features 2 inches of medium-firm high-density foam combined with 1 inch of Visco memory foam, providing optimal support and pressure distribution. The set is compatible with both the Skytron Elite 3500 and Elite 3500B surgical tables.

The pad surface is covered with conductive 4-way stretch Fusion III soft vinyl that resists fluid and stains while maintaining X-ray permeability. The waterfall edge construction enhances durability and patient safety. A hook and loop kit is included with the pad set for secure attachment to the surgical table.

The pad is constructed to be latex-free and features anti-microbial properties to support infection control protocols in the operating room.
