

Stryker 747 – Replacement Stretcher Pad – 26" x 75" x 4"

FACTORY NEW

The Stryker 747 replacement stretcher pad measures 26" wide by 75" long with a 4" thickness, designed as a direct replacement for standard stretcher systems. The pad features three layers of high-density, high-resilient medical-grade urethane foam that provides excellent pressure redistribution, postural support, and patient comfort. Universal corner design with two round and two angled cuts accommodates various stretcher configurations while maintaining durability and performance in clinical environments.
