Blickman (Baker) Solution Stand | Model 7807SS-HB

Stock Photo – Options May Vary

FACTORY NEW

Blickman 7807SS-HB – (Baker) Solution Stand. Features a single basin with a sturdy supporting frame, complemented by a convenient shelf for additional storage or equipment placement.

Constructed entirely from high-quality stainless steel, this stand offers exceptional strength and stability, ensuring it can withstand demanding environments. The stainless steel basin, which holds up to 8-1/2 quarts, is spacious and easy to use.

Despite its size, the basin is notably quiet when placed into the circular ring, thanks to rubber bumpers strategically placed inside the ring. These bumpers absorb impact and minimize noise, creating a more comfortable and efficient working environment.
