Blickman Single-Bay Infrared Scrub Sink | Pedestal Mounted | 9881SSP

Stock Photo – Options May Vary

FACTORY NEW

Blickman 9881SSP – Pedestal Mounted Single-Bay Infrared Sink. The 9800 Series Lodi Scrub Sinks are built with seamless construction, with 1″ covered corners. The bowl is 9-1/4″ deep at the rim and 18-1/2″ from spout to drain allowing for a deep scrub area.

The spout is positioned toward the rear of the sink to divert water splash away from the operator. Blickman's Pedestal Mounted Single-Bay Infrared Sink features sound-deadened material on the bowl undersides, enclosed by double-walled end panels. The sink includes an infrared sensor and knee panel for manual operation.

Sink wall mounting brackets come included (refer to the installation manual).
