Blickman Pedestal Mounted Double-Bay Infrared Sink | 9882SSP

Stock Photo – Options May Vary

FACTORY NEW

Blickman 9882SSP – Pedestal Mounted Double-Bay Infrared Sink. The 9800 Series Lodi Scrub Sinks are built with seamless construction, with 1″ covered corners. Bowls are 9-1/4″ deep at the rim and 18-1/2″ from spout to drain allowing for a deep scrub area.

The spout is positioned toward the rear of the sink to divert water splash away from the operator. The Blickman 9882SSP Pedestal Mounted Double-Bay Infra-Red Sink Features: Sound-deadened undersides and double-walled end panels. Each sink includes an infrared sensor and knee panels for manual operation.

Additional Features: The sink also comes with wall mounting brackets (refer to the installation manual). The sinks provide scrub areas of approximately 30″W x 21-1/2″D.
