Blickman Wall Mounted Double-Bay Infrared Sink | 9882SSW

Stock Photo – Options May Vary

FACTORY NEW

Blickman 9882SSW – Wall Mounted Double-Bay Infrared Sink. The 9800 Series Lodi Scrub Sinks feature seamless construction with 1″ covered corners. The bowls measure 9-1/4″ deep at the rim and 18-1/2″ from spout to drain, providing a deep scrub area.

The spout positions toward the rear of the sink to divert water splash away from the operator. The Blickman 9882SSW Lodi Scrub Sink Features: The double bowls have sound-deadened undersides and double-walled end panels. Each sink includes a stainless steel base for the infrared sensor and knee panels.

Additionally, the housing extends 21″ from the basin and hangs 14-1/2″ from the floor. Additionally, wall mounting brackets are supplied.
