Blickman Wall Mounted Triple-Bay Infrared Sink | 9883SSW

Stock Photo – Options May Vary

FACTORY NEW

Blickman 9883SSW – Wall Mounted Triple-Bay Infrared Sink. The 9800 Series Lodi Scrub Sinks feature seamless construction with 1″ coved corners. The bowls measure 9-1/4″ deep at the rim and 18-1/2″ from spout to drain, providing a deep scrub area.

The design positions the spout toward the rear of the sink to divert water splash away from the operator. The Blickman 9883SSW Lodi Scrub Sink Features: Undersides of the triple bowls are sound deadened and enclosed by double-walled end panels. Each sink houses a stainless steel base that will house an infra-red sensor and knee panels for manual operation.

The housing extends 21″ from the basin and hangs 14-1/2″ from the finished floor.
