

# Blickman Chrome Folding Adjustable Hamper w/Casters | 2230

*Stock Photo - Options May Vary*

## FACTORY NEW

The Blickman 2230 is a chrome folding hamper with adjustable height to accommodate 18", 22", or 25" hamper bags. Its space-saving design folds for easy storage when not in use, making it ideal for healthcare, institutional, and commercial environments.

The unit features a steel frame bag rest and four 2" hard rubber casters for smooth mobility in busy settings. The adjustable design allows quick modifications to meet varying operational needs without requiring additional equipment.

Built with durable chrome construction, the Blickman 2230 is designed for long-term performance and reliability. It comes with a Limited Lifetime Warranty, ensuring dependable service in demanding healthcare and institutional applications.
