Blickman Kennedy Freestanding Cabinet | 7956SS

Stock Photo – Options May Vary

FACTORY NEW

Blickman 7956SS – Kennedy Freestanding Cabinet is a 36″ wide treatment and storage cabinet with two distinct sections separated by a stainless steel work surface. The narcotic locker and three glass shelves in the upper section independently lock.

The bottom section consists of three 7″ deep drawers and a closed-door compartment with one stainless steel shelf. The cabinet is mounted on four legs with stainless steel glides.

Reconfigure this cabinet with all stainless steel shelves, solid doors, a sloping top for easy cleaning, and casters.
