FACTORY NEW

Blickman CCC1-17 – Maxi Case-Cart. Blickman has been a leader in case-cart design for over 20 years.

Blickman introduces our new, closed-case carts with several new features to make them smooth-rolling, easy-steering, and quiet. Recommended for procedures requiring a larger volume or size of instruments and/or supplies, such as Neurosurgery and Orthopedic Surgery.

Additional Features: Choose from several of Blickman's open designs and we'll also help you design a cart to meet the unique needs of your facility, with your choice of options, such as extra handles, locks, and maintenance-free casters. All our carts are cart-washable.
